Joe,

Bethany is out of the office until Wed., Sept. 9th. From my understanding of these emails, what is needed is a permanent TOCOR in the longer term for the contract, with TOCOR meaning task order contracting officer. For now, folks can plug in Bethany as the TOCOR, and she can delegate it to one of her COs at some point when she gets back.

Please read below regarding assigning a R8 CO for this. Do we need to meet to discuss?

Hi All – Per my phone conversations and vmail to David, here is the information I was calling about. As you can see, they need this task order funded as soon as possible. Also, they need someone to serve as the permanent TOCOR for the contract and we believe this should be someone from Region 8. Please give me a call if you have questions.

Ccing Pete Guria as the Area Commander.

For a PR in the EAS system - The Contract Number is EP W14 020. The task order it is running under right now is Task Order 4. The contractor is Systems Research and Applications Corp International (SRA) Vendor Source # 097779698. The contracting office is HPOD NPSC. CC and access list after funding must include Deborah Dalton and Terry Fenton from OGC so that we can get notices and

Deliberative Process/Ex. 5

Will OEM or Region 8 provide the TOCOR for the call center new task order? Right now we are doing it in cooperation with Brooke Hanson. Not sure that works in the long run.
